

# BANYAN PARK VILLAS

## **Banyan Park: Expanding to Meet the Need**

In recent years, requests to stay at Give Kids The World Village have grown so much, hundreds of families must stay off property each year. While these families are able to visit the Village and enjoy all it has to offer, their experience just isn't quite the same. With your help, we hope to fix that.

In the fall of 2015, we broke ground on Banyan Park, a new 24-villa complex. Phase One will allow 1,000 more families to stay at the Village each year. We hope to open the first phase in the fall of 2016, and later begin work on Phases Two and Three.

Over the years, donors have generously supported our expansion efforts, and we invite you to consider a gift to help us build Banyan Park. To learn more about giving options, please contact Pamela Landwirth at [PamL@gktw.org](mailto:PamL@gktw.org) or 407-396-5325.
